# 50 RANDOM QUESTIONS TO CULTIVATE CONNECTIONS

Did you know that even funny questions can lead to really deep chats with your pals? Yup, even the silliest inquiries can help you get to know your friends better.

The value is not so much in the question itself, but in the conversation that the question sparks. The question and its answer is a starting point for a conversation journey that maybe you wouldn't be having with that friend. Imagine the possibilities of asking if a hot dog is, in fact, a sandwich! (Er, it is, right?)

Friendship grows in its intimacy and deepens in connection through self-disclosure and the sharing of the 'bits and pieces' of what makes us who we are. In other words, those funny convos with your bestie when you're bored or just looking to get a laugh are what will ultimately strengthen your bond.

This guide is your key to unlocking more meaningful and fulfilling connections with the people in your life. Inside, you'll find fun and engaging questions to ask new friends, old friends, and anyone you want to create more connection with. AND..you'll be sure to have lots of giggles along the way!
